## CODE OF ETHICS

### NEW YORK OIL HEATING ASSOCIATION, Inc

**The membership of the New York Oil Heating Association, Inc (NYOHA) agrees that they will conduct their business honestly and ethically wherever we operate in the marketplace.**

**We will seek to improve the quality of our services, products and operations and will create a reputation for honesty, fairness, respect, responsibility, integrity, trust and sound business judgment.**

**No illegal or unethical conduct on the part of officers, directors, employees, members or affiliates is in the best interest of the industry.**

**NYHOA member companies will not compromise their principles for short-term advantage. The ethical performance of the membership is the sum of the ethics of the men and women who make up our industry. Thus, we are all expected to adhere to high standards of personal integrity.**

**NYOHA member companies will abide by the rules and regulations of all agencies that govern them and will report to the proper authorities anonymously, if desired, any activities that could be harmful to the industry and the consumers that they serve.**
