**EPA Section 608
Preparatory Manual**
9th Edition V2

The image shows the cover of the EPA Section 608 Preparatory Manual, 9th Edition V2. The cover is dark blue with white text. It features four images of HVAC equipment: a white portable air conditioner, a Goodman portable air conditioner, a silver and black ice machine, and a large industrial refrigeration unit. The esco institute logo is centered in a white diamond shape on the cover.
